The hard facts to melt your heart

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the comprehensive services and benefits that are available to every Mercedes-Benz driver.

See Mercedes-Benz in a new light. Now is the time to get yourself behind the wheel of a C-Class. Choose from a number of attractive finance offers. Please see pages 16–23 for further details, or visit www.mercedes-benz.co.uk/offers

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart. Which is why we'd like to invite you for a test drive at your local Mercedes-Benz Retailer. Alternatively, you can make arrangements by visiting www.mercedes-benz.co.uk/testdrive

For more information visit www.mercedes-benz.co.uk or call 0333 222 0500.

Mercedes-AMG C 63

Optional brilliant blue metallic paint (code 896) and Driving Assistance package (code DP2)

The Mercedes-AMG C 63 combines race-honed technology with dramatic and highly individual style. Its sporty lines are made even more eye-catching by the AMG-specific grille, an AMG-specific bonnet with powerdomes, and AMG bodystyling comprising front and rear aprons plus side skirts. The AMG sports exhaust system's two sets of twin tailpipes provide a further clue to the power of the exhilarating V8 engine. 18" 5-spoke AMG alloy wheels painted in titanium grey and featuring a high-sheen finish come as standard.

Stylish, sporty and highly exclusive, the interior of the Mercedes-AMG C 63 feels instantly special. Its supportive AMG sports seats are upholstered in nappa leather. The flat-rimmed AMG steering wheel features tactile nappa leather, and there's an ergonomic AMG-specific instrument panel with colour display and AMG start-up screen. Eye-catching brushed stainless steel sports pedals also come as standard.

Exclusive driver training for Mercedes-AMG C 63 and C 63 S owners

All Mercedes-AMG C 63 and C 63 S customers are invited to a complimentary AMG Driving Academy Training experience at Mercedes-Benz World.

With friendly one-to-one tuition from a professional Mercedes-AMG driver, your training will be personalised to you. You'll push Mercedes-AMG driving performance and your driving skills to the limits on our track and purpose-built low friction dynamic handling facilities.

Through high-speed and adrenaline-fuelled exercises you'll experience over-steer, understeer, slaloms and many more performance driving skills. Designed as part of your ownership experience, this will lay the foundations to master a high-performance vehicle, develop driving skills with maximum enjoyment and prepare you to take full command of your own Mercedes-AMG C 63 and C 63 S.

TERMS AND CONDITIONS

The following only are eligible: the first purchaser/registered keeper of a newly-registered Mercedes-AMG C 63 and C 63 S; the second owner/registered keeper of a Mercedes-AMG purchased from a Mercedes-Benz Retailer, where the vehicle is less than 90 days from registration. The AMG Driving Academy Training experience is the AMG BASIC-Training as detailed in the further information above and must be booked and taken within six months of delivery of your Mercedes-AMG C 63 and C 63 S; it cannot be exchanged and cannot be transferred for any other driving experience. The Training experience is available Monday to Friday only and is subject to availability. Mercedes-Benz UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable.

Lane Tracking package

Blind Spot Assist

Lane Keeping Assist

[1]Not available on C 350 e AMG Line until June 2017 production

The Lane Tracking package includes Blind Spot Assist and Active Lane Keeping Assist – highly intelligent features to help you stay safe on the road by making the drive more effortless, and to alert you to any emergency.

Lane Tracking package (code 22P) – designed and priced as a package, including items as listed below.

Sport, AMG Line[1] and Mercedes-AMG C 43 4MATIC, C 63/S **Total incl. VAT £595.00**

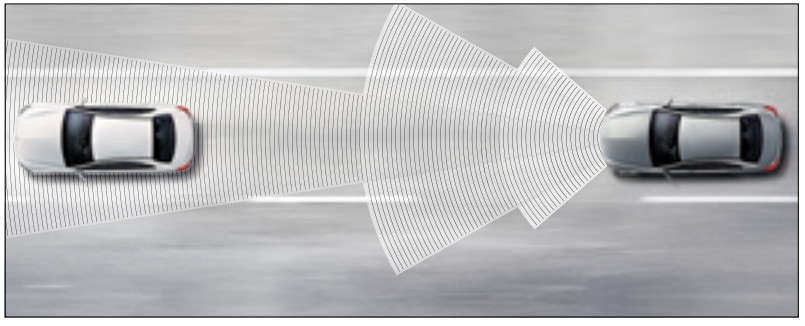

Lane Tracking package comprises:
Blind Spot Assist Visible warning in exterior mirrors if a vehicle is detected in the blind spot; audible warning if indicating to move out of lane
Lane Keeping Assist Vibrates the steering wheel when detecting unintentional drifting out of lane

Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency. It includes Active Blind Spot Assist, Active Lane Keeping Assist, BAS PLUS with Cross-Traffic Assist, DISTRONIC PLUS with Steering Assist and Stop&Go Pilot, and the PRE-SAFE® anticipatory safety system.

Driving Assistance package (code DP2) – designed and priced as a package, including items as listed.

Sport,[1] AMG Line[1,2] and Mercedes-AMG C 43 4MATIC, C 63/S **Total incl. VAT £1,695.00**

DISTRONIC PLUS

[1]Only available with automatic transmission [2]Not available on C 350 e AMG Line until June production

Driving Assistance package comprises:

Active Blind Spot Assist
Displays a warning light in the exterior mirrors if another vehicle is detected in the blind spot. If a lane change is attempted with another vehicle in the blind spot, the system warns the driver and helps prevent an imminent collision by one-sided braking intervention

Active Lane Keeping Assist
Detects signs of inadvertent drifting out of lane and warns the driver by vibrating the steering wheel and, if necessary, triggers one-sided braking intervention

BAS PLUS with Cross-Traffic Assist
If a critical situation is recognised and the driver applies the brakes, BAS PLUS can increase the brake pressure according to the situation, ideally preventing a collision with other vehicles or pedestrians

DISTRONIC PLUS with Steering Assist and Stop&Go Pilot
DISTRONIC PLUS is a radar assisted cruise control that helps the driver to maintain a safe distance from the vehicle ahead, even when braking to a stand-still. Steering Assist tracks road markings and the path of the vehicle ahead to keep the vehicle on track

PRE-SAFE® Brake with pedestrian detection
When the danger of a collision with another vehicle or a pedestrian is recognised, PRE-SAFE® Brake gives the driver a visual and acoustic warning. If there is no reaction, the system can reduce the vehicle speed autonomously – right up to full emergency braking

PRE-SAFE® PLUS
Initiates occupant prevention measures if a rear-end collision is imminent, including activating the hazard lights, reversible belt tensioning, adjustment of passenger seat positions and closure of windows

Night package

How to lend your C-Class dramatic effect? Simply add the Night package. With 5-twin-spoke alloy wheels in painted bicolour and further design details in high-gloss black, the Night package adds a distinct character to the exterior.

Night package (code P55) – designed and priced as a package, including items as listed below.

Sport, AMG Line and Mercedes-AMG C 43 4MATIC **Total incl. VAT £495.00**

Night package comprises:

Further information on our full range of Genuine Accessories can be found on the Mercedes-Benz UK website.

01 | LED Mercedes star projector

The legendary three-pointed star logo is discreetly projected onto the ground alongside your vehicle every time you open the front driver or passenger door. The star automatically disappears once the doors are closed.

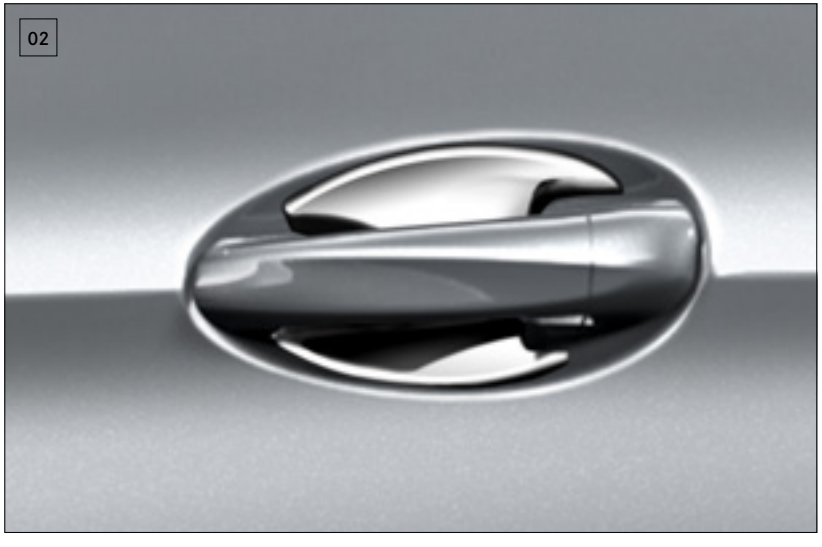

RRP £118.80 (incl. VAT), excluding fitting

02 | Door handle recess

High-sheen door handle recesses in chrome design. Protects the recess behind the door handle from scratches and offers a high-quality, individual look.

RRP £40.68 (incl. VAT), excluding fitting

03 | Shallow boot tub

The boot tub is suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-slip polypropylene, its structured surface holds the separately available stowage crate in place. Deep boot tub also available.

RRP £84.60 (incl. VAT)

04 | Stowage crate

A secure hold for items which are prone to tip over or slide around, e.g. shopping bags. Adjustable partitioning elements allow crate to be divided into max. four sections. Optimum functionality only in conjunction with shallow boot tub.

RRP £87.50 (incl. VAT)

05 | Luggage net

Prevents lightweight objects from sliding around during the journey. The net is in pocket format.

RRP £54.00 (incl. VAT)

06 | All-season floor mats

Robust, washable synthetic material, designed for heavy use. Latest design with recessed areas and raised edge. With distinctive Mercedes-Benz star logo. Price for front and rear mats.

RRP £92.56 (incl. VAT)

07 | DUO plus child seat, with ISOFIX

'DUO plus' child seat. Optimum safety for children between the ages of around 9 months and 4 years (9 to 18 kg). Fitted as standard with top tether, an additional belt for securing the head section, a height-adjustable harness, ventilation channels and ISOFIX attachment points. Adjustable tilt. Additional seats available for ages 0+ (1 to 13 kg) and 3.5 to 12 years (15 to 36 kg).

RRP £434.83 (incl. VAT)

08 | Head restraint modular system

Carefree travel with Mercedes-Benz Style & Travel Equipment. The head restraint elements are simple to fit and remove. The modular system centres around a base support which can be combined with a coat hanger, universal hook, folding table and tablet mount.

[6]EUDC: extra-urban driving cycle. Testing procedures adhere to EU Directive 93/116 *The manufacturer's stated fuel consumption and electric range figures are based on the legally prescribed NEDC test cycle, which is performed in a laboratory. These are the only figures we are allowed to publish. It is common that differences occur in real driving conditions compared with these certified laboratory values. They result primarily from conditions different from the legally-prescribed laboratory conditions, for example when ambient temperatures differ (the weather is hot, cold, windy, wet), the vehicle is operated under different loads and many other factors. For several years, Mercedes-Benz has fully and actively supported the early introduction of the WLTP (Worldwide Harmonised Light Vehicles Test Procedure) and the measuring procedure for Real Driving Emissions (RDE). This procedure is designed to supersede the NEDC, with the goal of bringing standardised and real-world consumption closer together

[6]EUDC: extra-urban driving cycle. Testing procedures adhere to EU Directive 93/116 *The manufacturer's stated fuel consumption and electric range figures are based on the legally prescribed NEDC test cycle, which is performed in a laboratory. These are the only figures we are allowed to publish. It is common that differences occur in real driving conditions compared with these certified laboratory values. They result primarily from conditions different from the legally-prescribed laboratory conditions, for example when ambient temperatures differ (the weather is hot, cold, windy, wet), the vehicle is operated under different loads and many other factors. For several years, Mercedes-Benz has fully and actively supported the early introduction of the WLTP (Worldwide Harmonised Light Vehicles Test Procedure) and the measuring procedure for Real Driving Emissions (RDE). This procedure is designed to supersede the NEDC, with the goal of bringing standardised and real-world consumption closer together

Figures in square brackets relate to Mercedes-AMG models. All measurements in millimetres. The dimensions are mean values and apply to standard-specification, unladen vehicles
The figures on pages 84–89 are correct at time of going to publication. Please refer to the government website for latest data – http://carfueldata.direct.gov.uk/

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO_2 emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO_2 emissions are listed in the technical data on pages 82 and 88, and the relevant Excise Duty is reflected in the on-the-road prices on pages 10–15.

Services and insurance

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your C-Class, which is why we offer Service Care, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With Service Care we guarantee the price of parts and labour for up to three services and safeguard against any further inflation. It also covers the cost of any additional items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised Service Care plan recommendation visit the Service Care Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

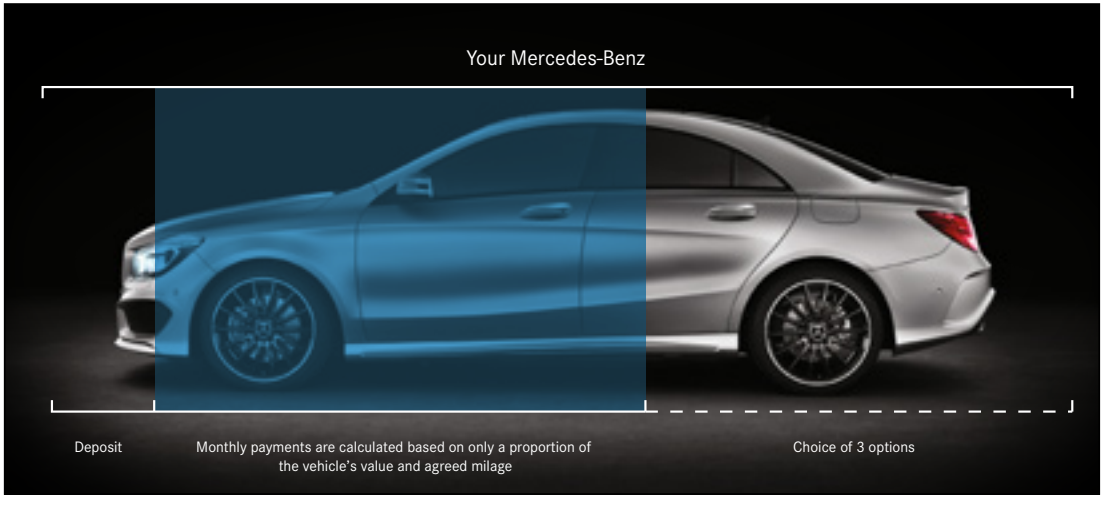

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.
Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.[1] This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.
If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,* as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.
Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.[1] This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

[1]Please note the 'Purchase Activation Fee' of £10 will be debited from your account *To find out more information about our Vehicle Return Standards please visit http://mercedes-benz.co.uk/vrs
