Introducing MBUX

Using the touchpad you can control the display of the multimedia system

Multi-gesture touchpad control

Introducing MBUX, the brand new Mercedes-Benz User Experience infotainment system that can be controlled via voice and touch input. The Mercedes-AMG GT 4-door Coupé joins other models to feature this innovative way of communicating with your Mercedes-Benz.

MBUX (Mercedes-Benz User Experience) infotainment system comprises:

Voice control

- Activated by the keywords "Hey Mercedes", the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say "I feel cold" and MBUX will adjust the temperature for you

Personalisation

- Turn the Mercedes-AMG GT 4-door Coupé into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for 3 years

Mercedes me connect.

Stay connected, any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Navigation Services (01U)

Visit the Mercedes me connect store or app for pricing.

Live Traffic Information¹

Your navigation system receives traffic data in real time, enabling it to optimise the dynamic route guidance, minimising drive time and offering more precise estimation of arrival times.

Available parking spaces

Locates parking spaces for you in multi-storey car parks and on the street. Saving you time and hassle.

Local Search

This feature provides support in the local search for restaurants or hotels and much more.

Send2Car

Make your journey easier: set your destination using the Mercedes me app and send it directly to your car's navigation system.

Infotainment

Visit the Mercedes me connect store or app for pricing.

connect Store

In the Mercedes me connect Store you can purchase many digital services designed to make your everyday life easier and provide useful information relating to your networked vehicle.

TIDAL

Love music? Get a 3-month TIDAL HiFi subscription free with Mercedes me connect (worth £60) and unlock access to 58 million songs.

Internet Radio

Listen to podcasts and radio stations from anywhere in the world.

Private Car sharing

Car sharing gives you the opportunity to share your vehicle in a straightforward and safe way with third parties who you authorise.

For more information speak to your local Retailer or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

¹Free of charge for first three years. Extension possible, visit the Mercedes me connect store for details on pricing

Mercedes me connect.

Stay connected, any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Vehicle Set-up (08U)

Visit the Mercedes me connect store or app for pricing.

Remote Vehicle Status

Check safety information, such as coolant level and brake pad condition, so you can be sure your car is safe and ready to drive.

Personalisation

Store your preferences, such as your favourite radio stations and apps, to create your personal driver profile.

Pre-Entry Climate Control

Programming of charging settings and Pre-Entry Climate Control for plug-in vehicles.

Remote Door Locking/Unlocking

Lock and unlock your car remotely, wherever you are in the world.

Vehicle Monitoring (09U)

Visit the Mercedes me connect store or app for pricing.

Parked Vehicle Locator

Forgot where you parked your car? No problem: you can locate and track your car, with the Parked Vehicle Locator.

Vehicle Tracker

Track the location of your car anywhere in the world.

ECO Display

Monitor your driving style with ECO Display. It summarises your driving style from the start of the journey to its completion to help you achieve the most economical way to drive.

Geo-fencing

Set up a geographical boundary and receive alerts whenever your car enters or leaves this area.

Some options may be shown.

¹The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK

^{*}Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

²A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars

³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

Model lines | Mercedes-AMG GT S 4MATIC+ Premium

11

Additional-cost options: brilliant blue magno paint (code 644); Exclusive nappa STYLE leather in macchiato beige/magma grey (code 565A)

As a breathtaking Gran Turismo, the Mercedes-AMG GT 63 S 4MATIC+ Premium is the perfect companion for anyone who appreciates outstanding performance, comfort and versatility. The AMG 4.0-litre V8 biturbo engine delivers 639 hp (470 kW) output and 900 Nm torque – the most powerful in

the Mercedes-Benz range. The AMG RIDE CONTROL sports suspension is adjustable in three stages, from comfortable to sportily taut. Further highlights include the electronic AMG rear axle differential lock with variable locking effect and ‘RACE’ transmission mode.

Engine, Transmission and Suspension

AMG DYNAMIC PLUS package, including dynamic AMG engine mounts, ‘RACE’ drive program including Drift Mod and AMG Performance steering wheel in DINAMICA with AMG steering wheel buttons. Includes standard AMG DYNAMIC select – with the drive programs ‘Slippery’, ‘Comfort’, ‘Sport’, ‘Sport+’ and ‘Individual’

AMG Performance 4MATIC+

Exterior

KEYLESS-GO Comfort package and Keyless Go starting function

Mirror package – electrically-folding mirrors and automatically-dimming driver’s side mirror and rear view mirror

Parking package – Active Parking Assist with PARKTRONIC and 360° camera

20" AMG multi-spoke alloy wheels – painted titanium grey

AMG-specific radiator grille

AMG specific side skirts painted in the vehicle colour with inserts in silver chrome

Active aerodynamics with AIRPANEL in the front apron plus electrically extending rear spoiler

Bonnet with powerdomes

Front apron in vehicle colour with jet wing and trim strip in silver chrome, front splitter in silver chrome plus large side air intakes with vertical louvres in black

High-performance composite brake system with 390 mm brake disks at front and 360 mm brake discs at rear. Yellow-painted brake calipers

Model designation on the front wings and boot lid

MULTIBEAM LED with Adaptive Highbeam Assist Plus and LED tail lights with sequential turn signals

Sliding sunroof with tinted safety glass, wind deflector, illuminated multifunction switch, movable roof liner and obstruction sensor

Privacy glass

Rear apron in the vehicle colour, lower part with diffuser in high-gloss black and diffuser blade with trim strip in silver chrome plus trapezoidal twin tailpipe trim elements in high-gloss chrome on the left and right

Summer tyres

Trim element on the front wings in high-gloss chrome

Interior

Memory package – driver’s seat, front passenger seat, steering column and exterior mirrors – electrically adjustable with memory; includes electro-pneumatic four-way lumbar support and seat cushion depth adjustment (6 cm)

AMG floor mats with ‘AMG’ lettering

AMG instrument cluster incl. AMG main menu with RACE TIMER, analogue round dials with 225 mph scale and ‘Supersport’ display style

AMG Performance steering wheel in DINAMICA microfibre

Interior (continued)

AMG speed-sensitive steering

AMG sports seats in black nappa leather with contrasting topstitching in crystal grey, embossed AMG emblem in the head restraints and bezel in silver chrome with 'AMG' lettering

Ambient lighting – 64 colours – all colours can be selected individually. Eight colour schemes each consist of two colours – the cockpit and the footwell are kept in the same colour, while the centre area of dashboard forms a contrast. The colours are static or slowly replace each other in Dynamic mode to produce a constant change of colour. Special emotively appealing effects: a light show welcomes the driver, and the climate control indicates in colour via the ambient lighting whether a warmer or colder temperature is being set. Adjustable brightness of the LEDs, with 10 levels and three zones: cockpit, front seat area and also entire dimming zone. The internal workings of the air vents are finished in silver chrome and illuminated. Additional illumination of the piping on the dashboard above the trim element and in the doors. Here the coloured piping is replaced by a transparent fibre-optic cable

EASY-PACK tailgate

Heated front and rear seats

Safety and Assistance Systems

AMG three-stage Electronic Stability Programme (ESP®)

Active Lane Keeping Assist, Active Brake Assist, Blind Spot Assist and Traffic Sign Assist

Communications and In-Car Entertainment

AMG TRACK PACE – iOS smartphone app is your ideal tool for a detailed and professional analysis of your own particular driving style

Burmester® surround sound system – 14 high-performance speakers, 10-channel DSP amplifier with a total output of 640 watts (8 × 50 watts and 2 × 120 watts). Front bass technology with subwoofers integrated into the body shell. Vehicle noise compensation (VNC). Sound preset: surround function to generate virtual surround sound, sound optimisation for the front and rear seats supports multi-channel formats for true surround sound

DAB digital radio

Hard disc navigation

MBUX multimedia system – display cluster with two fully digital colour displays and each with a screen diagonal of 12.3-inch

Smartphone integration¹

THERMOTRONIC luxury automatic climate control system – automatic climate control system with three climate zones and three climate styles. The driver and front passenger are able to set the temperature, air distribution and climate style. The third climate zone is in the rear with separately adjustable temperature and airflow

Widescreen cockpit – instrument display and media display as a visual unit beneath a continuous glass cover. Display cluster comprising two fully digital colour displays in a flat screen look, each with a screen diagonal of 12.3 inches and a resolution of 1920 × 720 pixels. Touchscreen variant for the media display. Display styles: 'Classic', 'Sport', 'Progressive' and 'Subtle'

Wireless charging¹ – charges mobile phones which support the Qi standard wirelessly on a charging surface;
Near Field Communication (NFC) for quickly connecting to mobile phone

Trim and Upholstery

AMG carbon fibre

Nappa leather – black with contrasting topstitching in crystal grey

¹Compatible mobile phone required

Model lines | Mercedes-AMG GT S 4MATIC+ Premium Plus

15

Additional-cost options: designo diamond white bright (code 799); Exclusive nappa STYLE leather in macchiato beige/magma grey (code 565A)

The Mercedes-AMG GT 63 S 4MATIC+ Premium Plus further extends the luxury with active multi-contour front seats and dynamic massage function. ENERGIZING package, meanwhile, ensures ultimate well-being: the system interlinks various comfort features such as climate control, seats and heating.

Choose between six carefully-tailored programs for activation or relaxation depending on your preference. As part of the AIR-BALANCE package there is also interior fragrance to complete the luxuriously welcoming atmosphere on board.

In addition/replacement to GT 63 S 4MATIC+ Premium:

Exterior

AMG Night package – air intakes in front apron in high-gloss black; A-wing of AMG front apron in high-gloss black; AMG sports exhaust system with two black chrome-finished twin tailpipe trim elements; exterior mirror housings in high-gloss black, AMG side sill panels and AMG rear apron in high-gloss black

21" AMG cross-spoke forged wheels – painted matt black

Panoramic sunroof – the glass module stretches across the entire roof area, thus creating the impression of a continuous glass area from where the windscreen begins to where the rear window ends. You are protected from strong sunlight by an electric roller sunblind

Soft door close

Summer tyres

Interior

Active multi-contour seats package – active multicontour seats in the front with separately adjustable air chambers which can be set via the multimedia system. Four-way lumbar support with adjustable air chambers. Dynamic driving functions with automatic lateral stability depending on steering angle, lateral acceleration and speed of the vehicle. 14 air chambers enable ENERGIZING massage function featuring eight different programmes with a relaxing, stimulating or mobilising effect, 'firm' and 'gentle' settings, duration between 12 and 15 minutes. Two of the massage programmes have an additional warming effect modelled on the hot-stone massage principle

AIR-BALANCE package – fragrance generator with perfume flask in glove compartment; improved filter system between intake and distribution system; oxygen ioniser in side air duct

ENERGIZING package – with ENERGIZING comfort programmes:

- training: video instructions
- hints: 3-minute audio information tips for sustained promotion of your health and day-to-day well-being
- seat heating for driver and front passenger
- ENERGIZING COACH
- AIR-BALANCE package for fragrancing, ionisation and filtering of the interior air
- ambient lighting with programme-specific lighting moods

Climatised front seats – three-stage seat ventilation (blue lights) is not switched down or off after a defined period; three-stage seat heating (red lights) with automatically switches down. Both comfort features can be activated separately or in combination

Head-up display

Seat heating plus – pleasant warmth for high seating and ride comfort after just a very short time. In cooler weather or as required, seat heating very quickly brings the seat cushions and backrests up to a pleasant temperature. Three levels of intensity can be selected. Intelligent: the intensity of the seat heating is reduced automatically

Trim and Upholstery

AMG carbon fibre

Nappa leather – black with contrasting topstitching in crystal grey

Rear Luxury Lounge package (optional)

Individual rear seats with 'AMG' lettering

Wireless charging in rear

Touchscreen centre display

Turn your vehicle into a business jet on wheels: the high-class rear suite complements the vehicle's outstanding performance with a particularly luxurious interior. Treat your rear passengers with comfortable individual seats, a classy atmosphere and simple access to a comprehensive range of infotainment functions and comfort features.

Rear Luxury Lounge package (code DP5) – designed and priced as a package, including items listed below.

Total incl. VAT £3,000.00

Rear Luxury Lounge package comprises:

Centre console with stowage compartment

Individual rear seats with 'AMG' lettering

Temperature-controlled cup holders (2)

Touchscreen centre display with access to numerous infotainment controls

Preinstallation for entertainment and comfort features

Sidebags in rear

Wireless charging in rear

Please note, when selecting upholstery code 565A Rear Luxury Lounge package (code DP5) is also added

19

AMG Aerodynamics package (optional)

Fixed rear aerofoil in high-gloss black

Diffuser trim in silver chrome

Courtesy of the superb finishing on the AMG Aerodynamics package, the Mercedes-AMG GT 63's performance can be enhanced even further. A larger front splitter, flowing into flics at the air intakes, a fixed rear wing and flics on the front wheel arches all increase downforce pressure. This improves ride characteristics at speed, enhancing lateral acceleration, driving stability and braking distance. The AMG Aerodynamics Package is rounded off by specific side sill attachments that provide a striking, sporty look.

AMG Aerodynamics package (code B26) – designed and priced as a package, including items listed below.

Total incl. VAT £2,495.00

AMG Aerodynamics package comprises:

Deflector elements at side air outlets of the rear wings

Extensively optimised front apron with larger front splitter and additional air deflector elements at the air intakes and the front wheel arches

Fixed rear aerofoil in high-gloss black

Further optimised diffuser integrated in the rear apron

20

Driving Assistance package (optional)

Active Distance Assist DISTRONIC

Active Steering Assist

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road.

Driving Assistance package (code P20) – including items listed below.

Total incl. VAT £1,695.00

Active Distance Assist DISTRONIC controls the distance to vehicles in front up to a speed of 131mph and if necessary brakes the vehicle with up to 50% of the maximum braking power

Active Steering Assist helps the driver keep the vehicle in the centre of its lane on straight stretches of road or slight bends. Reduces the risk of accidents and improves protection for both the occupants and other road users

Active Speed Limit Assist adopts speed limits detected automatically as the new set speed for Active Distance Assist DISTRONIC

Active Braking Assist with Cross-Traffic Function and Congestion emergency braking function can help to avoid or lessen the consequences of accidents with vehicles in front as well as crossing vehicles and pedestrians

Evasive Steering Assist is able to support the driver with making an evasive manoeuvre when, in a situation of danger, he/she decides to avoid a pedestrian who has been detected by the system

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided brake application

Active Lane Keeping Assist can warn the driver when they unintentionally leave their lane and can use one-sided brake applications to help manoeuvre the vehicle back into its lane (including in the case of broken lane markings if there is a risk of collision)

PRE-SAFE PLUS is able to initiate preventive measures to protect occupants against an impending rear impact, including warning traffic following behind, activating the seat belt tensioners or applying the brakes when the vehicle is stationary

Route-based speed adaptation. Adaption of speed before curves, roundabouts, junctions, toll roads. Allows for smoother and more accurate functionality of several driving assistant systems

AMG high-performance ceramic composite braking system (optional)

Reliability in extreme situations, even after full brake application several times in succession: The AMG ceramic high-performance composite brake system delivers deceleration performance that you can count on even in exceptional situations. It is also lighter than conventional brake systems – less unsprung masses for enhanced driving dynamics and agility.

AMG high-performance ceramic composite braking system (code B07) – designed and priced as a package, including items listed below.

Total incl. VAT £5,995.00

AMG high-performance ceramic composite braking system comprises:

Composite brake discs: 402×39 mm front and 360×32 mm rear

Specially-painted bronze brake calipers with 'AMG Carbon Ceramic' lettering

● Standard ¹Figures according to Directive 80/1269/EEC in the currently applicable version

²Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO₂ values

³All figures are based on a standard specification with the smallest tyre size ⁴The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence

⁵The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

Technical data

35

Mercedes-AMG GT 63 S 4MATIC+

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles. Wheels shown not representative of actual UK model.
The figures on pages 34–35 are correct at time of publication

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages 10 and 14.

Band	CO ₂ emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) ¹	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
					Standard rate (£)	Premium rate (£) ²	Standard rate (£)	Premium rate (£) ²	Standard rate (£)	Premium rate (£) ²

¹ Applies to all Mercedes-Benz diesel models which do not comply with Real Driving Emissions step 2 (RDE2)

² Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge, number plates, fuel and VAT

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your Mercedes-AMG GT, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover³. It gives you 7 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Retailer. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

For more information or to apply for First Cover, click [here](#).

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers ²Subject to full Terms and Conditions, dependent on date of registration, available upon request Mercedes-Benz Motor Insurance is underwritten by Aviva Insurance UK Limited. Credit provided, subject to status, by Mercedes-Benz Financial Services UK Ltd, MK15 8BA ³For joint protection, calls may be recorded and/or monitored. All calls charged at local rate. We may decline to quote in some circumstances ³Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

➤ Book a test drive

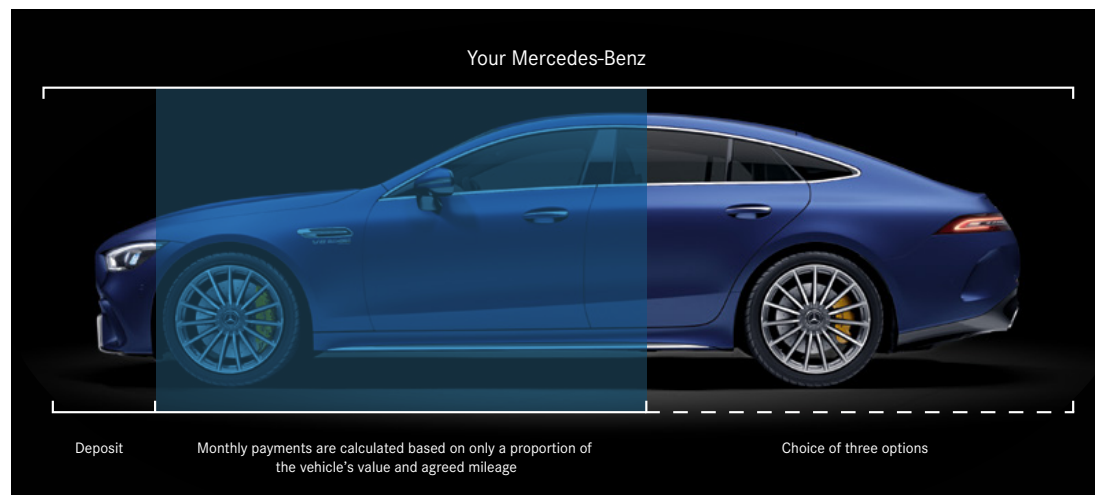

➤ Buy your Mercedes-AMG GT 4-door

➤ Find a Retailer

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,^{*} as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account ^{*}To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
